

Test Compliance Document

This is a test PDF document for the compliance system.

Compliance Regulations:

1. All daycare facilities must maintain a 1:4 staff-to-child ratio for children under 2 years old.
2. Staff members must have CPR certification renewed every 2 years.
3. Background checks must be performed on all staff members annually.
4. Facilities must have at least 35 square feet of indoor space per child.
5. Fire drills must be conducted monthly and documented.
6. All medications must be stored in locked cabinets.
7. Food handling areas must be separate from diapering areas.
8. Building must comply with local fire and safety codes.
9. Emergency evacuation plans must be posted in visible locations.
10. Daily health checks must be performed and documented for each child.

Residential Care Compliance Requirements:

1. Maintain a 1:6 staff-to-resident ratio during waking hours.
2. Medication administration records must be maintained for all residents.
3. Staff must complete 40 hours of training annually.
4. Each resident must have an individualized care plan updated quarterly.
5. Facilities must conduct and document monthly safety inspections.
